

http://

build this  
layout using  
float.

don't use positioning  
here. we're trying to  
practice float instead :)

http://

My Favorite  
Pokemon

add  
class="active"  
to this <li>

# My Favorite Pokemon

Pokemon Center

Professor Oak

Mysteries of  
Lavendar Town

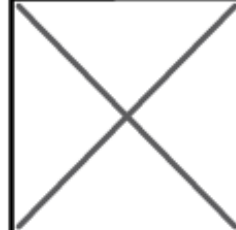

Competitive Play

change color and font  
when hovering over  
any of the <li> that  
are not "active"
